AROSA Underseat Luggage

USB charging port

Equipped with a USB charging port, offering quick access to charge your electronic devices such as smartphones, tablets, kindles and all other USB devices on the go while using them at the same time. A powerbank is not included.

Trolley sleeve

The intelligent Add-A-Bag system is not only a tremendous relief for your multi-luggage travel, but it is also extremely easy to handle. Simply connect your bag to the luggage with an integrated luggage strap in a hands-free way.

RFID protection

Travel with peace of mind. An integrated RFID protection compartment helps to protect your sensitive personal data (such as credit cards, passports, and driver's licenses) from being accessed by scanners.

Quality and comfort

Our products combine quality and comfort with their ergonomic design, ensuring that all essentials can be carried easily during your trip.

AROSA
